

## Joseph's Dreams - Genesis 31:1-11

### I wonder...

- I wonder why Joseph was Jacob's favorite son?
- I wonder why Jacob didn't know that would cause problems among the brothers?
- I wonder what Jacob was thinking when he gave Joseph the gift of a beautiful coat?
- I wonder what Joseph was thinking when he received the gift?
- I wonder if Joseph knew his brothers hated him?
- I wonder what it would feel like to live with someone that hated me?
- I wonder why God chose to send such specific dreams to Joseph?
- I wonder how Joseph's life would have been different if his brothers hadn't been filled with hate and jealousy?
- I wonder if you have ever hated or been jealous of anyone? I wonder how it made you feel? I wonder how you acted?
- I wonder why this story is important for us to know?
- I wonder what you think is the most important part?
